JUST KEEP RUNNING! ENDURANCE MARATHONER BECCA PIZZI PUBLISHES “BECCA’S FEAT ON FEET”

*New Children’s Book Shows That with Hard Work and Dedication
Anyone Can Reach Their Goals*

BELMONT, MA – May 4, 2020 – Endurance marathoner Becca Pizzi announced today that pre-sale orders are now available for her new children’s book, “Becca’s Feat on Feet” (Mascot Books, June 23, 2020). The book can be purchased on her website www.beccapizzi.com.

Becca has been running since she was six years old. She ran her first race with her dad, and she’s never stopped running. After years of competitive racing, Becca decided to run in one of the toughest races on the planet: The World Marathon Challenge – **SEVEN MARATHONS ON SEVEN CONTINENTS IN SEVEN DAYS!**

Running in this challenge pushed Becca to her limits. From icy terrains to hot desert climates, Becca braved the elements and she had to run faster and harder than she ever had before. Her new book offers an amazing inside look into her incredible, odds-defying adventure that shows everyone just how much they can accomplish with hard work and dedication.

“I hope this new book will inspire kids all over the world to aim high and challenge themselves, whether they want to run a marathon or achieve another big goal,” said Pizzi. “One of the most rewarding parts of pursuing a challenge is the great adventures you can have along the way. I hope kids of all ages will enjoy seeing the journey I went on to complete the World Marathon Challenge.”

Becca grew up in Belmont, MA, where she lives with her husband, Joe, and her daughter, Taylor. Running has always been a part of her life. She has run the Boston Marathon sixteen times and she is on track to complete a marathon in all fifty states. She is most passionate about directing the <https://www.racemenu.com/events/196974-2020-Becca-Pizzi-5K> race in Belmont, and the Becca Pizzi Foundation. Becca loves seeing her community come together to support Belmont High School athletes.

The “Becca’s Feat on Feet” is available for \$14.95 through Becca’s website: www.beccapizzi.com , www.mascotbooks.com and pre-order at <https://www.barnesandnoble.com> and www.amazon.com.
